FRIGGING JOBS:

Auditions Set for the

KC's West Bottoms Haunts

Beast, Edge of Hell, Chambers of Poe & Macabre Cinema

Job seekers looking to create a scare have their chance with auditions starting up for nationally acclaimed haunted houses located in Kansas City's West Bottoms. The job description includes raising customer adrenaline, terror and laughter and excitement for entertaining customers going through these top-rated haunted houses.

Auditions can include best howl, scream, ghastly laugh or other scare tactic for an exhilarating role wearing costumes, lurking around corners, and making frightening fun. Full Moon Productions is holding auditions for The Beast and the Edge of Hell at The Beast location. Must be at least 16 years old and have a valid driver's license and another form of identification.

Additionally, Full Moon is looking for volunteers for select positions that support Dream Factory.
